

Event Schedule & Preliminary Draft of Conference Agenda

	DAY 1 Wed, 14 Apr 2010	DAY 2 Thu, 15 Apr 2010	DAY 3 Fri, 16 Apr 2010	DAY 4 Sat, 17 Apr 2010		
	All Day Exhibition	All Day Exhibition	All Day Exhibition	All Day Exhibition		
Registration						
Morning 1	G2G & B2B Opening Ceremony VIP Exhibition Walkthrough	CNI Security & Resilience Indonesia	Infrastructure Asia Public & Private Leadership Forum (Plenary Session)	Infrastructure Asia Public & Private Leadership Forum (Plenary Session)	CNI Security & Resilience Indonesia ITTS 2010	Asia-Pacific Ministerial Conference
Morning 2						
Morning 3						
Lunch Break						
Afternoon 1	UNESCAP Expert Group Meeting	CNI Security & Resilience Indonesia	Infrastructure Asia (Parallel Sessions) - Energy PowerGen - Toll Road - ICT - Healthcare	Infrastructure Asia (Parallel Sessions) - Energy Renewable - Transport - Water & Waste Mgmt - Education	CNI Security & Resilience Indonesia ITTS 2010	Asia-Pacific Ministerial Conference Jakarta Declaration Closing Ceremony
Afternoon 2						
Afternoon 3						
Evening	UNESCAP Dinner	Gala Dinner Reception	UNESCAP Dinner			

Preliminary Conference Agenda Day 2 - Thursday, 15 Apr 2010

Public and Private Leadership Forum

0800 - 0900	Registration			
0900 - 0915	Session Chair: Public Private Partnership - The Engine Behind Asia Pacific Infrastructure Development. H. E. Prof. DR. Armida S. Alisjahbana SE. MA, <i>Chairman</i> , BAPENAS – TBC			
0915 - 0945	Tangible Tools and Technologies to Address Climate Change and Environmental Threats through Development of Renewable Energies. Mr. Gary Locke, <i>Secretary of Commerce</i> , United States of America – TBC			
0945 - 1015	Designing and Implementing Innovative Strategies for Sustainable Energy Management. Meeting Asia's Future Energy Demand Through Developing and Diversifying Resources. Mr. Alexei Miller, <i>Chief Executive Officer</i> , Gazprom – TBC			
1015 - 1045	Coffee Break			
1045 - 1100	Session Chair: The Need for increased in investments in infrastructure and for making infrastructure management and maintenance more efficient and more effective. Mr. Haruhiko Kuroda, <i>President</i> , Asian Development Bank – TBC			
1100 - 1130	Asia – The Future of Building Unified and Sustainable Transport Infrastructure H. E. Mr. Kamal Nath, <i>Minister</i> , Ministry for Road Transport & Highways of India – TBC			
1130 - 1200	Developing and Managing Sustainable Infrastructure Projects to meet Increased Future Demand and Rapid Urbanization. H. E. Mr. Jiang Weixin, <i>Minister</i> , Ministry of Housing and Rural Urban Development, The People of Republic of China – TBC			
1200 - 1230	The Role of Private Sector in Developing Infrastructure and Managing Investment Risk in Infrastructure Projects - The Asian Perspective. Mr. Lakshmi Mittal - <i>Chief Executive Officer</i> , Arcelor Mittal – TBC			
1230 - 1330	Luncheon			
1330 - 1345	Energy PowerGen The Global Economic Crisis and Utilizing PPP to Drive Asia's Energy Investment Forward. H. E. Darwin Zahedy Saleh SE, MBA, <i>Minister</i> , Department of Energy and Mineral Resources, RI – TBC	Toll Road Enhancing Indonesian Toll Roads Infrastructure Development Through Public Private Partnership. H. E. Mr. Freddy Numberi, <i>Minister</i> , Department of Transport, RI – TBC	ICT Opening Address: ICT in Asia Pacific – Bridging the Digital Divide. Accessibility, Availability and Affordability of Services. H. E. Mr. Korn Chatikavanij, <i>Minister</i> , Ministry of Finance, Kingdom of Thailand – TBC	Health Care Enhancing Indonesian Healthcare Infrastructure Development through Public-Private Partnership (PPP). H. E. DR. Dr. Endang Rahayu Sedyaningsih, <i>Minister</i> , Department of Health, RI – TBC
1345 - 1415	Meeting Current and Future Challenges and Achieving Key Objectives in Redeveloping Power Generation, Transmission and Distribution in Asia. OEM – TBC	Designing and Implementing Innovative Strategies for Sustainable Transport Management. Meeting Asia's future transport demand. Mr. Woonchong Um, <i>Director</i> , Sustainable Infrastructure Division, Regional & Sustainable Development Department, ADB – TBC	PPP Legislation in support of advance strategy to bridge digital divide. Asia Connecting the Unconnected OEM – TBC	The Future of PPP For Asia Pacific Healthcare Infrastructure Development OEM – TBC
1415 - 1445	The Role of PPP in Decentralised Transmission Power Generation and Liberalisation of State-Owned Companies and the Transition to Open and Competitive Energy Markets. Manufacturing Company/ Operator – TBC	The Asian Highway Network as a Cornerstone of the Asian Land Transport Infrastructure development project. Transport Division – TBC	Managing ICT Infrastructure PPP Projects. PPP Project - Telecom Operator – TBC	Examining the Value PPP's can Bring to Redeveloping the Infrastructure of Health Facility. Mr. Alex Campbell, <i>Executive Director</i> , The Royal Children's Hospital, Australia – TBC
1445 - 1515	Resource Management And Decentralization of the Energy Sector in Asia. OEM - TBC	Integrating Regional Toll Road Network – Integrating & Connecting Asia to Achieve Rural and Urban Transport Efficiency. Operator - TBC	Advanced Solutions for Urban and Rural Phone and Broadband Networks. OEM - TBC	Managing Risks in Asia Healthcare Infrastructure Investment Risk Management/ Bank/ Consulting Companies/ Investment Funds - TBC
1515 - 1530	Coffee Break			

Continuation Day 2

1545 - 1600	<p>Energy PowerGen Utilizing PPP to Drive Asia's Energy Investment Forward. Power Plant Operator – TBC</p>	<p>Toll Road Successful Management Model for Toll Roads. Best Practice - Showcase. Management Co. – TBC</p>	<p>ICT The Role of Government Financing and Economic Stimulus Packages for the ICT Sector Telecom Authority – TBC</p>	<p>Health Care The Challenging Future of Building Asia Healthcare Infrastructure OEM – TBC</p>
1600 - 1630	<p>Finance The Role of Infrastructure Funds in Support of Asia's Energy Sector. Bank/ Financial Institution/ Investment Fund – TBC</p>	<p>Investing in Asia's Toll Roads Infrastructure Projects - ROI and Risk Mitigation. Investment Fund – TBC</p>	<p>Increasing Broadband Penetration Through Deep Localization Of Content. OEM – TBC</p>	<p>Managing Risks in Asia's Healthcare Infrastructure Investment. Risk Management/ Bank/ Consulting Companies/ Investment Funds – TBC</p>
1630 - 1700	<p>Finance The Global Economic Crisis and Mitigating Investment Risks in Asia's Energy Sector. Risk Management/ Bank/ Consulting Companies/ Investment Funds – TBC</p>	<p>Successful Management Model for Toll Roads. Best Practice – Showcase. Management Co. – TBC</p>	<p>Strong Positive Correlation Between ICT Penetration And Sustainable Economic Growth. Ms. Colette Bowe, OFCOM, United Kingdom – TBC</p>	<p>Planning, Design and Implementing Optimal Healthcare Systems OEM – TBC</p>
1700 - 1730	<p>Planning, Design and Implementing optimal transmission systems. Achieving Energy efficiency. OEM – TBC</p>	<p>New Transport Technologies Investment, Maintenance and Rehabilitation of Transportation Assets. OEM – TBC</p>	<p>Master Class – ICT - Meaningful Broadband. Prof. Craig Warren Smith – TBC</p>	<p>Master Class - Designing and Implementing Innovative Strategies for Healthcare Management for All - Meeting Asia's Future Healthcare Demand. ADB/ WB/ WHO – TBC</p>
1915 - 2100	Gala Dinner at Ritz Carlton			

Preliminary Conference Agenda Day 3 - Friday, 15 Apr 2010

Public and Private Leadership Forum

0800 - 0900	Registration			
0900 - 0915	Session Chair: The Acceleration of Infrastructure Financing through Partnership with Private Institutions and/or Multilateral organizations. Dr. Sri Mulyani Indrawati, <i>Minister</i> , Department of Finance Indonesia – TBC			
0915 - 0945	The Impact of the Global Economic Crisis On developing Sustainable Infrastructure in Asia Pacific HRH Prince Andrew Duke of York, <i>Special Representative for International Trade and Investment</i> , UK Trade & Investment – TBC			
0945 - 1015	Adopting Advanced Solutions for Sustainable Infrastructure Development. Mr. Jeffrey R. Immett, <i>Chief Executive Officer</i> , General Electric – TBC			
1015 - 1030	Coffee Break			
1030 - 1100	Session Chair: Financial Infrastructure: Building Access through Transparent and Stable Financial Systems Mr. Lars Thunell, <i>Executive Vice President and Chief Executive Officer</i> , International Finance Corporation – TBC			
1100 - 1130	The Role of Government Regulation and Government Integration for Future Energy Infrastructure Development H. E. Mr. Sergei Ivanovich Schmatko, <i>Minister</i> , Ministry of Fuel and Energy, Russian Federation – TBC			
1130 - 1200	Creating the Best Fit Between Private and Public Sector in Maintaining and Developing Asia's Life Critical Infrastructure. Mr. Mukesh D. Ambani, <i>Chairman and Managing Director</i> , Reliance Group – TBC			
1200 - 1230	Banking Reforms in Support of Public Private Partnership for Infrastructure Development in Asia-Pacific Mr. Gang Xiao, <i>Chairman of the Board</i> , Bank of China – TBC			
1230 - 1330	Luncheon			
1330 - 1345	Energy Renewable Asia's Eco Energy Resources. Meeting Energy Security Through Developing Renewable Energy. H. E. Darwin Zahedy Saleh SE, MBA, <i>Minister</i> , Department of Energy and Mineral Resources, RI – TBC	Transport Opening Address: Transport Industry – Asia, the Global Perspective. H. E. Mr. Freddy Numberi, <i>Minister</i> , Department of Transport, RI – TBC	Water & Waste Management Opening Address: Water Management in Asia Pacific – Bridging the Divides for Water. H. E. Ir. Djoko Kirmanto, Dipl, HE, <i>Minister</i> , Department of Public Works, RI – TBC	Education Education Infrastructure PPP Development H. E. Prof. Dr. Ir. Mohammad Nuh, <i>Minister</i> , Ministry of National Education
1345 - 1415	Renewable Energies – Legislation Solutions for the Energy Sector. Chairperson – TBC	PPP Models in Asia's Transport Infrastructure Development. PPP Expert from Toll Road/ Seaport/ Airport Operator/ Transport Consulting Company – TBC	PPP Models in Asia's Water Infrastructure Development. PPP Expert from Water Operating/ Managing/ Consulting Company – TBC	The Future of Regional and National Education PPP Policy? UNESCAP High Expert – TBC
1415 - 1445	Renewable Energy Policies in Asia – Embracing Green Energy. Energy Department – TBC	Managing Investment Risks in Asia's Transport Sector amid The Global Financial Crisis. Risk Management/ Bank/ Consulting Companies/ Investment Funds – TBC	The Prospective PPP Models in Waste Treatment Infrastructure. PPP Expert from UNESCAP/ Governments of a UNESCAP country member – TBC	The Emerging of Asia Pacific Education Hubs Professor Jeanette Hackett, <i>Vice-Chancellor</i> , Curtin University of Technology, Australia – TBC
1445 - 1515	Green Energy - Delivering Environmentally Sustainable Solutions for Power Generation. OEM/ Consultant – TBC	Planning, Design and Implementing Optimal Transport Systems to Solve Asia Infrastructure Demand. OEM – TBC	Managing Waste Treatment Infrastructure PPP Projects. PPP Project Waste Treatment Operator – TBC	Preparing Bankable Public Private Partnership (PPP) Projects in Education Infrastructure OEM – TBC
1515 - 1530	Coffee Break			

DRAFT

Continuation Day 3

	Energy Renewable	Transport	Water & Waste Management	Education
1545 - 1600	The role of small to medium enterprises in renewable energy production. Plant - TBC	Infrastructure Funds in Transport Infrastructure Development. Bank/ Financial Institution/ Investment Fund - TBC	Advance Solutions for Urban and Rural Water Infrastructure. OEM - TBC	Asia-Pacific countries development of" Education For All "(EFA) strategy plan to reach the unreached by 2015. Mr. Gwang-Jo Kim , The Director of UNESCO Bangkok - TBC
1600 - 1630	Investing in Renewable Energy Projects. ROI and Risks Mitigation Investment Fund - TBC	The Trans-Asian Railways Part of Integrated Transport Network Solution. The Future of Transport Infrastructure. OEM - TBC	Infrastructure Funds in Water Infrastructure Development. Managing Investment Risks in Asia's Water Infrastructure PPP Projects. Risk Management/ Bank/ Consulting Companies/ Investment Funds - TBC	Calyon, a prominent role in the financing of the campus of Sorbonne University, Abu Dhabi, UAE Mr. Patrick Valroff , CEO Calyon - TBC
1630 - 1700	Asia's Eco Energy Resources. Meeting Energy Security through Developing Renewable Energies OEM - TBC	The Future Role of Asian Mega Seaport Infrastructure in Asia. Mr. Eivind Kolding , Chief Executive Officer, A.P. Moller Terminal - TBC	Advanced Solutions for Urban and Rural Water Infrastructure. Ms. Olivia Lum , Chief Executive Officer, Hyflux Group - TBC	Master Class – UAE University New Campus PPP Project in Al-Ain, UAE Mr. Waleed Al Mokarrab Al Muhairi , COO of Mubadala Development - TBC
1700 - 1730	Panel Discussion: Renewable Energy and Carbon Financing. OEM - TBC	Developing and Managing the Global Air-Hubs of Asia. OEM - TBC	"Successful Management Model for Water Management. Best Practice – Showcase. Mr. Lee Koon Yew , President , South East Asia Water Utilities Network, SEAWUN - TBC	Panel Discussion PPP Models in Education Infrastructure Development Financing OEM - TBC
1915 - 2100	Experts Farewell Dinner at the Borobudur Hotel
