

OSHANI PERERA

Programme Manager
IISD

Oshani's portfolio includes sustainable public procurement, the globalization of services, international performance standards and emerging issues that impact transparency and accountability across global markets.

Before working with IISD, Oshani spent several years at the McKinsey Global Institute (MGI) and KMPG, and was also a freelance sustainability specialist. Her work covered sustainability reporting, social impact assessments, ISO 14001 and SA 8000 implementation and verification, the design and facilitation of stakeholder consultation initiatives, and research on corporate responsibility within the wider policy debate on sustainable globalization.

Oshani also spent two years at the UNEP Division of Technology, Industry and Economics and was a Partner of the Green Workshop (an environment communications company) based in Paris.
