

# Governance Workshop

at Wallenberg Research Centre,  
Cape Town, South Africa.  
on Thursday, 14<sup>th</sup> October 2010

Session 3: Developing Specific Governance Indicators

Facilitated by

Mark Thriscutt, Governance Theme Champion, gTKP  
and Dr Malcolm Mitchell, Executive for SARF.

# Purpose of this Session

- To test the overall methodology with specific examples for objectivity, practicality and workability.
- To obtain ideas on how to improve the specific indicators drafted for 3 areas:
  - Financing & Funding;
  - Road Safety; and
  - Rural Roads (ROADCAP).

# For the Draft Indicators Provided:

- Are the groupings OK?
- What questions / issues need to be included?
- Are the range of responses reasonable? How can they be improved?
- Are the questions and their responses universally valid?
- Overall, is the approach practical, workable and likely to provide a reasonable assessment of capacity in the area of road management being assessed?
- How can it be improved / strengthened?
